

## **NEW BENEFIT FOR NON-PROFIT CHAMBER MEMBERS**

*Share information with all our  
Members!*

The Palos Verdes Peninsula Chamber of Commerce is here to help your organization get the word out about your upcoming events. If a member of the Chamber would like to promote an event, the Chamber may include it in a monthly e-blast to members.

Please provide PVPCC with the event information:

- Name of your organization
- Name of your event
- Type of event (dinner, auction, concert, etc.) MAXIMUM OF 25 WORDS
- Date of your event
- Start time and expected finish time
- Location name and street address
- Admission / ticket price
- Phone number / e-mail address / website address for tickets, more information

If you have a flyer on the event posted on your website, please give us the url (for example, the flyer for the Chamber's "Salute to Business" is located on page [http://www.palosverdeschamber.com/PDF\\_Uploads/SalutetoBusinessFlyerInvite2010new\\_01-07-2010\\_hhg371.pdf](http://www.palosverdeschamber.com/PDF_Uploads/SalutetoBusinessFlyerInvite2010new_01-07-2010_hhg371.pdf)) so that we can create a link to it from the Chamber e-blast.

The Chamber must receive information on your event by the first Monday of the month, in order for it to be included in the Nonprofit e-blast that will be sent out on the first Friday of each month. You may:

- **e-mail** your event information to [office@palosverdeschamber.com](mailto:office@palosverdeschamber.com)
- **fax** it to 310-377-0614, Attn: Chamber Nonprofit e-blast
- or **mail it** to:

Chamber Non-Profit e-blast  
Palos Verdes Peninsula Chamber of Commerce  
707 Silver Spur Road, Suite 100  
Rolling Hills Estates, CA 90274

Your organization **must be a PVP Chamber member** in good standing. In fairness to our members, we cannot promote non-member events, events or activities not **open to the general public**, or events your organization is sponsoring but which are produced by a non-member. Merchandise sales, special promotions, etc. are not considered to be events.

*The sooner you get your information in to us,  
the better your chance of being included in the e-blast!*
