

Everybody's a neighbor

Times like this, even though tragic and devastating, bond us together as neighbors. As the community comes together great things are happening. The support is working and we are able to serve more community members in substantial ways.

- **Operating Hours** The staff continue to be available from 9:00 am-6:00 pm by telephone. In person assistance is by appointment only.
- **Home Delivery** The food pantry is delivering food to clients' doorsteps in Wilmington, Harbor City, Harbor-Gateway and San Pedro.
- **Pantry Donations** The need for the food pantry has doubled in the last month, masks, canned and dry food are all in need. Cleaning products, diapers, toothpaste and shampoo are appreciated!
- **Distance Learning** With youth now not scheduled to return to school until the fall our staff are working with families to obtain ipads and laptops and get internet access so that they may continue to learn.
- **Volunteer** You can make a difference! Volunteer now to work with young people and help with their homework. Distribute Grab & Go meals each weekday at 3:30 pm.

We are in this together

We are so glad to have you as an active member of our community. Lives are being changed thanks to your support.

Together we are creating a wave of generosity to give, thank, help and heal.
